

BABETAL MINIATURE SCHNAUZERS

PURCHASING AGREEMENT

Having purchased a puppy from the above breeder I/We wish to advise that I/We wish it to be registered in the following way.

1) Registered solely to myself the purchaser who has knowingly signed and understood the attached form for Limited Register.

2) Registered jointly with the breeders who will act as mentors ensuring that animals used for breeding will only be mated with animals having bloodlines approved by the breeder ensuring the betterment of the breed.

I/We agree to only breed in accordance with the regulations and code of ethics set out by the Canine Control Council (Qld).

Bitches may produce a maximum of four litters unless other arrangements are made with the breeder.

If this animal is not being shown or trialed and has not attained some points towards a title all puppies must be sold on Limited Register only unless prior written arrangement has been made with the breeder.

Should a title be obtained this animal may be transferred solely to the purchaser.

Puppies may not be exported unless approval is granted by the breeder of this animal.

The breeder accepts no responsibility for costs involved with the maintenance of the purchased animal or breeding of puppies and will receive no income from the breeding of the sold animal by the purchaser unless other written arrangements have been made.

My desired option for registration is Number .....
